## CLI IA1903 All-In-One Integrated Thin Client

### Elegant, Simple and Powerful

The CLI IA1903 All-In-One thin client provides a slim desktop combined with widescreen display for a clean professional look in a compact form factor. It is a fully integrated LCD flat panel providing a clean and professional look in a compact form factor. The CLI All-In-One provides a zero footprint solution that seamlessly integrates into your existing thin client deployments. Convenient VESA wall mount capability will enable the user or administrator to have a solution that literally will occupy zero desktop footprint. It offers support for all major VDI clients from Microsoft, Citrix, VMware and Quest.

### Access Remotely, Simply and Securely

The CLI All-In-One is an ultra thin, integrated solution that combines the logic of a thin client with the form factor of an LCD. The depth of the client is only 35mm, while providing a full 16:9 landscape, 18.5" screen. In addition to the sleek design, the CLI All-In-One is especially quiet with noise levels less than 25dB, and includes a great power saving design based off of the Intel Atom D525. CLI continues the innovation by thinking 'outside the box', and responding to customer requests to develop state of the art thin client solutions. Every CLI Thin Client includes the CLI Device Manager for easy discovery and management. The inherent ROI on IT spending is reflected immediately on day to day device management. Reliable and simple management by the CLI Device Manager, security and compliance is easy to obtain.

### At a Glance

The CLI All-In-One series minimizes physical space usage, while increasing the visual appeal desktop real estate for users. The All-In-One can deliver an integrated and interactive user experience by reducing costs and desktop complexity. It fits naturally into Healthcare, Retail, Education, Hospitality and the executives desk.

### Features

- Stylish and sleek all-in-one design.
- Outstanding performance.
- VESA mount capable.
- Optional internal wireless.
- Minimal space usage, energy efficient, easy to integrate.

## CLI IA1903 “The One” All-In-One Series

18.5” screen with a 16:9 wide-screen aspect ratio, Intel Atom D525 1.8GHz CPU, PS/2 optical mouse, PS/2 US 104-key keyboard, Intel GMA 3150 Intergrated Graphics, 4-in-1 card reader, per seat license for CLI’s management software suite, 35w power consumption, one-year Return-to-Depot Warranty.

CONFIGURATION	DESCRIPTION
Operating system	Windows Embedded Standard
Processor	Intel Atom D525 Dual Core, 1.66 GHz
Chipset	Intel® NM10 Express Chipset
Display	18.5” WXGA 16:9 LCD Display (1366 x 768) 1000:1 contrast ratio and 250 cd/m2 brightness
Memory	1 Gb DDR3 SO-DIMM Maximum upgrade to 2Gb ( 2048Mb x 1 )
Graphics	Mobile Intel GMA 3150 (Shared VRAM memory up to 384 Mb)
Flash	Flash Memory: 1Gb SATA (Scalable to 16Gb)
Audio / Visual	High Definition Audio, 2 x stereo speakers (3W: 78dB +/- 3dB), integrated microphone, stereo headphone/headset microphone combo jack, integrated VGA webcam
Wireless	Optional Integrated internal wireless 802.11b/g WI-FI™
Communications	(1) Gigabit Ethernet port Integrated 4-in-1 Media Card Reader (SD (Secure Digital), MMC (MultiMedia Card), Memory Stick, xD card)
CLI TermPro (Terminal Emulation)	TermPro supports TN5250 (IBM AS/400), TN3270, (IBM mainframe), and ASCII (Unix/Linux systems) emulation sessions with one or more hosts. Enhanced user interface (TN5250 Display only), support for 122-Key keyboard, & TCP/IP. For more information call us at (800) 643-2664.
Ports and Connectors	(4) USB 2.0 ports, VGA, power connector, (1) D-Sub, stereo headphone/headset microphone combo jack
VESA Mount	100 mm x 100 mm
Power	35w
Full Weight	10.47lbs or 4.75kg
Dimensions	(h x w x d) 21.65 (at front) x 16.53 x 1.37 in / 550 (at front) x 420 x 35 mm
